Letter of Reference for Mr Giuliano Fabris

To Whom it May Concern:

I am pleased to submit this letter of recommendation for Mr Giuliano Fabris. For 5 months, Giuliano has worked on our behalf in the IT Web development department.

Initially beginning as a trainee, Giuliano Fabris has achieved great recognition within the company through continuous work and development of skills. I spent a considerable amount of time with Giuliano during his work placement. Giuliano was always punctual, a good team player and highly dedicated to his job and his work.

Giuliano fulfilled all his duties with consistent reliability and friendliness towards his fellow co-workers, as well as management. Early in his tenure, Giuliano demonstrated a thorough understanding of Gift-tours.com Ltd's principles and practices.

Giuliano thrived under adversity, always aware of the bottom line, he displayed an excellent talent for recognizing and preventing imminent problems.

Although we understand his decision to move on, we will certainly miss the commitment that Giuliano brought to the company. Giuliano is available for new challenges due to his desire to learn and grow further.

In closing, I would certainly recommend Giuliano for any IT Web development position, knowing from experience he would be an asset to your organization.

Yours sincerely,

Dino Johnson
CEO
